

## OCTOBER ROCKS!!

We are planning on having an incredible October. We have lots of activities planned for learning while having lots of fun! There is so much to do in October, the colors are tremendous! We have got so many lessons planned with the different colored leaves and many other fall projects. Our learning consists of the alphabet, numbers, and color of the week. We also try to maintain a balance of learning while making our projects fun each day.

Halloween is right around the corner parents, so we are planning on a Halloween party, making many Halloween decorations to take home, along with many other activities. We will be putting up a list of goodies for parents to sign up to bring for our party. We will love seeing your child in their Halloween costumes, but please no face masks or weapons.

We love watching your children grow and we enjoy being with them every day. If you have any questions, please do not hesitate to call.

Have a Happy Fall Y'All

Ms. Stephanie

Ms. Michele
